

Nova

This is the exclusive recessed colour hands-free video entry control from Bpt, now available also in silver.

Thanks to its reduced dimensions, NOVA can be inserted in the recessed boxes of 3 or 6 modules, and clad with the plates of the most popular civil series.

Available in the versions for video entry control systems X1 two-wire and 200 multi-wire, it lets you create mixed audio and video entry control systems.

Compatibility WITH PLATES OF THE MOST POPULAR SERIES FOR CIVIL USE

BTICINO: series AXOLUTE, series LIVING, series LIGHT, series MATIX, series LUNA
(series LUNA only 3 modules)

VIMAR: series EIKON, series IDEA, series PLANA

GEWISS: series PLAYBUS, series SYSTEM

AVE: series BANQUISE, serieS 45, series NOIR, series BLANC

ABB: series ELOS

LEGRAND: series VELA, series CROSS
